

Minutes
Council Work-session
Tuesday March 6, 2018

Mike Couch MPT opened the meeting at 6:35

Mark H, Jeremy M, Mike S and Mike C were present. Mayor Hills and Gail G were absent.

This work session was to discuss the Mike and Sandy Rich property, regarding a BLA and possible move of the niche wall.

The council discussed this at length. No motions or decisions were made at this meeting.

Jeremy M suggested that the construction company that did the cookshack be called in to answer questions and correct the slab that was poured. Water floods the cookshack building, and gutters installed do not remedy the problem.

Mike C MPT adjourned the meeting at 8:10
