

**MINUTES
PUBLIC HEARING
June 14, 2016
6:40 pm**

Mayor Hills called the meeting to order at 6:40

Present were Mayor Hills, Rita B Mike S, Mark H and Gail G.

The purpose of the meeting was for public comment on the use of Davis Lane and/or Reece St as the ingress and egress for Lyman Estates, / Dennis and Teresa Conner. Several of the residents that live on Recce and Davis were there to comment on the issue. The crowd was overwhelmingly against the idea. Davis Lane is 12-14 ft. wide and the corner on Reece is so sharp a emergency vehicle or Fire truck could not maneuver it safely. Many suggestions were given to Mr. Conner, one of them being a trade for 1 acre of land to use for cemetery purposes for a piece of property that allow access into the Conner Property.

Mayor Hills adjourned the meeting at 7:10.
