Mayor Hills called the meeting to order at 6:45

**ROLL CALL:** Mayor Hills, Mike S, Jeremy M, Mark H, Gail G and Mike C were present at roll call. Ryan Winn from Water & Wastewater Services was present to facilitate the forum.

Goals set by the Town of Lyman are:

1. Educate customers through pamphlets and information supplied by DOH, by sending them in the water bills and having them available in the town hall.
2. Bring the unaccounted-for water to under 20 in the next 3 years.

On the customer side:

1. Reduce usage in each household by 5% in 6 years.
